15:00-16:00:

Group A will visit Huong Phung Junior High School and distribute 157 solar lights for students- Principals: Nguyen Mai Trong (phone: 0986434555)

This school is located in mountainous areas of Quang Tri with most of students are ethnic minorities. In 2016, D.O.V.E. Fund funded \$1,500 for the school to build tank water for students living in dormitory. In this trip, we will provide 157 solar lights for students so that they will have stable lights for their studying at home.

15:00-16:00:

Group B will visit Huong Son Junior High school and distribute 37 solar lights for students- Principals: Nguyen Van Sam (phone: 0962499777)

This school is also located in mountainous areas of Quang Tri and their students are Van Kieu ethnics. In the past, The D.O.V.E. Fund provided 100 solar lights for students whose houses don't have electricity. The D.O.V.E. Fund continued to help computer room with 20 computers and big TV screen and dormitory equipment including bunk bed, blanket, bed nets and mats.

In this trip, we will provide 37 solar lights for students.

January 3rd, 2020:

8:00-9:30:

Dedicate Harbour Ridge Day Care Center- Principals: Nguyen Thi An (phone: 0915324300)

The school is located in Gio Linh district. The existing classrooms are not enough space for all kids in the village and surroundings. Furthermore, there is no hygiene kitchen to server lunch for the kids. The school is extreme in need of classrooms and hygiene kitchen for better taking care of kids. Thanks to Friends of The D.O.V.E. Fund at

Harbour Ridge's donation an addition of 2 classrooms and hygiene kitchen was built with total cost of \$51,812. Today we will celebrate dedication ceremony.

10:00-11:00:

Visit Trung Hai daycare center- Principals: Bui Thi Thom (phone: 0915197559)

In 2016 thanks to the donation from The D.O.V.E. Fund, a daycare center for kids in Cao Xa village and surroundings in Trung Hai commune was built. Since then, the teachers and parents here put so much effort to make this school more and more beautiful. In 2018, The D.O.V.E. Fund continued to help this school to build fence for the safety of the children. The total donation for this school is \$33,988

11:00-12:00:

Visit Gio Chau elementary school- Principals: Nguyen Thi Hong Thanh (phone: 0918420234)

A new kitchen and dining area with total areas about 140m² was finished in end of February 2018 to serve lunch for students of Gio Chau Elementary school. Thanks to this kitchen, many students whose houses are far from the school can stay at school at noon for the afternoon session. A new awning and concrete yard was completed in June 2019 to make the dining area more spacious and better care for the students. A new computer room with 20 internet connected computers has been set up for students at this school to study computer science and English in September 2019.

14:15-15:00:

Visit Ben Quan daycare center – Principals: Nguyen Thi Huyen (phone: 0946617595)

Built in July 2008 with the donation of The D.O.V.E. Fund, Ben Quan daycare center is the school for hundreds of children in Ben Quan village for more than 10 years and this school will be a good daycare center for children in the many coming years. In this school year, there are 45 students with 5 teachers attending this school.

15:30-16:30:

Dedicate the Blind Association of Vinh Linh district

In the year of 2018, The D.O.V.E. Fund donated an incense material mix machine, an incense rolling machine and a tooth stick box sealing machine to the Vinh Linh Blind Association. These machines will help them to speed up labor productivity so that the income of the blind will be increased significantly.

To help the blind in the district have more favorable working condition, the project of expanding the workshop was approved for implementation in April 2019. Now the Blind of Vinh Linh district have very good working condition which help them get more income and become more and more self-confident. Today, the dedication ceremony will be celebrated.

17:00-17:30:

Visit Gio Linh Blind Association

As blind in other district, the Blind in Gio Linh also want to have stable income for their necessity so that they don't have to live on their families. For this reason, The D.O.V.E. Fund donated \$2,500 for the Blind Association to buy incense making equipment create job for the blind and build a concrete yard for their easy walking.

January 4th, 2020:

08:00-10:00:

20th anniversary in Quang Tri High School

The anniversary will be celebrated to thank all the people who contribute their time, energy, talent to humanitarian mission. Thank to your work, thousands of children have opportunity to go to school, hundreds of the blind have opportunity to get better income and more and more people have opportunity to improve their lives.

10:30-11:30:

Visit Quang Tri Blind Association- massage center and workshop

In the early of 2018, The D.O.V.E. Fund donated a massage center to Quang Tri Township Blind Association. This new facility with 2 massage rooms and 1 waiting room and toilet with total area of 80m², 2 massage rooms equipped sauna machine, heater, air conditioner, and bed massage was really a great gift to the Blind in Quang Tri Township.

In 2019, The D.O.V.E. Fund continued to help the Blind with incense making equipment. Now the blind in Quang Tri Township have very good working conditions.

14:00-14:45:

Visit Dai Hao daycare center- new proposal- Principals: Nguyen Thi Hong Hanh (phone: 09420571110)

The existing daycare center located in Dai Hao village was built in 1998 with the donation of a charity organization. There are 2 classrooms but 96 kids so they have to use plank to divided the classrooms into smaller to have enough space for 3 grade including 3,4 and 5 years old students.

Furthermore, the school was built a long time ago so now it's seriously degraded. It's so dangerous to have students studying at the school but there's no place for them so that we're extremely in need of new school for the current students and coming generation.

Based on the current need, Trieu Dai commune and the daycare center would like to propose a project to build 3 classrooms. The school will repair the old kitchen to serve lunches for students. This facility will be used as a daycare center in normal day but it will be used as an evacuation center in flooding or stormy days.

Due to the urgent need condition the local people and the commune try their best to contribute 400,000,000 VND ~ \$17,278 for this project. We would like to ask for your help with the fund of 1,263,190,000 VND ~ \$54,565

15:00-15:45:

Visit Trieu Dai Junior High School- computer room- Principals Nguyen Van Thanh (phone: 0834343131)

A computer room with 20 internet connected computers was set up in May 2019 thanks to The D.O.V.E. Fund's donation. This computer room will help hundreds of students in this school have high tech learning equipment for better educational result. The fund for this project is \$7,052

16:00-16:45:

Visit Trieu Phuoc Junior High School- computer room- Principals Nguyen Van Luan (phone: 0915595027)

In October 2019, The D.O.V.E. Fund donated \$7,710 to set up a computer room for Trieu Phuoc Junior High School. There will be hundreds of students have opportunity to improve their computer and English skills.
