

PhotoHouse Photography llc

PhotoHouse Photography llc specializes in commercial photography and video marketing services. They will provide corporate headshots, group shots, and product or lifestyle shots that can be used on social media platforms. Lifestyle shots are images of people using their product or service. The company will also create a 1-2 minute video that promotes the company or brand to be used for social media purposes.

PhotoHouse Photography will also do a 3D Virtual Tour of the business location for a period of 6-months free of charge.

Overall package is valued for \$2,495.
