

# Inverness Club

## Golf and Lunch for Three

Walk or ride the lush fairways of Toledo's Inverness Club. The site of dozens of LPGA, PGA and USGA Championship events, Inverness was voted as one of the top ten classic courses in the world by Golf Digest. After renovations to the original Donald Ross design five years ago, Inverness hosted the exciting 2021 Solheim Cup.

Warm up on the range, practice your putts and get ready for the round of your life. If you take on the Inverness challenge, host Brian McKeen will also treat you and your guests to lunch, golf and post round drinks in the historic clubhouse grill or on the veranda overlooking the 18th green.

Don't miss this opportunity to treat friends or business associates to the timeless charm of the Inverness club. Valid for the 2022-2023 season on a mutually agreeable date.
