

Toledo Country Club – Golf Outing

Situated along the beautiful Maumee River, the historic Toledo Country Club, with its 124-year-old club house, rich traditions and impeccable golf course is an icon among the private clubs of the Midwest. Designed and built in 1897 by British Open champion, Willie Park, the verdant fairways wind their way along the banks of the Maumee, through 100-year-old trees and alongside quiet ponds. Although challenging for some, the course with its wide fairways and smooth, gentle greens, is designed to be enjoyed by everyone.

You and two of your guests will enjoy 18 holes of golf with Lorin Zaner, with drinks and dinner after your round of golf on a mutually agreeable date.
